**Caesars Entertainment Operating Co. Commences Voluntary Chapter 11 Reorganization
to Implement Previously Announced Financial Restructuring Plan**

Restructuring Agreement Supported by at More than 80% of First-Lien Noteholders

All Properties Open for Business and Operating Normally

*Caesars Entertainment, Caesars Acquisition Company and Caesars Entertainment Resort Properties Not
Part of the Filing*

LAS VEGAS, January 15, 2015 -- Caesars Entertainment Operating Company, Inc. ("CEOC"), a subsidiary of Caesars Entertainment Corporation ("Caesars Entertainment") (Nasdaq: CZR), today announced that it is moving forward to implement its previously announced financial restructuring plan. The plan, which has received support from more than 80% of first-lien noteholders, is intended to significantly reduce long-term debt and annual interest payments, while providing for significant recoveries for creditors and ensuring no interruption of operations across the company's network of properties.

To implement the balance sheet deleveraging, CEOC and certain of its U.S. subsidiaries have voluntarily filed for reorganization under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Illinois in Chicago. All Caesars Entertainment properties, including those owned by CEOC, are open for business and are continuing to operate in the ordinary course. All properties are continuing to host meetings and events and provide the facilities, amenities and experiences that guests expect. The entertainers who perform at Caesars properties will continue to do so on their ordinary schedule. Caesars Entertainment, Caesars Entertainment Resort Properties and Caesars Growth Partners, which are separate entities with independent capital structures, have not filed for bankruptcy relief.

"Today, with the overwhelming support of our first-lien bondholders, we are moving forward to implement our previously announced restructuring plan, which is intended to strengthen CEOC's

financial condition and significantly reduce debt,” said Gary Loveman, Chairman of CEOC. “We believe this restructuring is in the best interests of all of CEOC’s stakeholders and will result in a sustainable capital structure for CEOC and value creation for all stakeholders. The restructuring of CEOC is the culmination of a years-long effort to improve the health of CEOC’s balance sheet, which has included substantial investment in new and upgraded assets, especially in Las Vegas. I am very confident in the future prospects of our enterprise, which will combine an improved capital structure with a network of profitable properties.”

Loveman added: “The properties across the entire Caesars Entertainment network are open and will operate without interruption throughout CEOC’s reorganization process. Our guests will continue to earn benefits through the Total Rewards loyalty program, and our team remains entirely focused on delivering the same outstanding service and unforgettable entertainment experiences guests have come to expect from Caesars Entertainment. Going forward, we will continue to develop and deliver new, innovative hospitality experiences to our guests.”

CEOC has filed, and expects to obtain approval for, various customary First Day Motions in the bankruptcy court in support of its financial restructuring. CEOC intends to pay suppliers in full under normal terms for goods and services provided on or after the filing date of January 15, 2015. Vendors and suppliers who work with affiliated entities that have not filed Chapter 11 petitions, including Caesars Entertainment, Caesars Growth Partners and Caesars Entertainment Resort Properties, will not be impacted.

Restructuring Details

As previously disclosed, under the terms of the proposed financial restructuring, CEOC will convert its corporate structure by separating virtually all of its U.S.-based gaming operating assets and real property assets into two companies: an operating entity (“OpCo”) and a newly formed, publicly-traded real estate investment trust (“REIT”) that will directly or indirectly own a newly formed property company (“PropCo”).

The proposed transactions would reduce CEOC's debt by approximately \$10 billion, providing for the exchange of approximately \$18.4 billion of outstanding debt for \$8.6 billion of new debt. Annual interest expense would be reduced by approximately 75%, from approximately \$1.7 billion to approximately \$450 million. PropCo would lease its real property assets to OpCo in exchange for annual lease payments of \$635 million, subject to certain adjustments, with the lease payments guaranteed by Caesars Entertainment.

Under the proposed plan, Caesars Entertainment will make substantial cash and other contributions to support the restructuring. The completion of the previously announced merger of Caesars Entertainment and Caesars Acquisition Company will allow Caesars Entertainment to make these contributions without the need for any significant outside financing. The merged company will be in a strong position to serve as a guarantor for the lease payments OpCo will make to PropCo. Following the merger and the restructuring, OpCo will have sufficient cash to support its operations and obligations.

The restructuring is conditioned upon the release of all pending and potential litigation claims against Caesars Entertainment, Caesars Acquisition Company and related parties. The proposed restructuring plan remains subject to approval by the Bankruptcy Court and the receipt of required gaming regulatory approvals.
